

OCBS 2021

Pertinent information for those joining the *Knowing Jesus* classes.

The moral imperative of the Bible is for each of us to grow in the intimate knowledge of God by learning and walking with His Son, our Lord Jesus Christ. The Book of Revelation is the final and ultimate message from our Lord Jesus in which “Jesus Tells His Story” and “Jesus Declares Himself.” In just 11,952 words and 404 verses, this 22-chapter book unveils and shares with us the epitome of history.

Jesus is at the center of God’s war and triumph over the serpent and sin. We are all engaged in this same war. Victory is predicated on “knowing Christ” and our faith in Jesus (1 John 5:4; Revelation 5:9-10, 14:12).

My classes feature **individual participation** (note taking and workshop exercises) and **screen animation** (Bible text, diagrams and graphics). **Everyone is encouraged to participate** (via Chat box and email) **in all the sessions**. I look forward to serving, seeking, and sharing with one another in our quest of “Knowing Jesus.”
