We are so happy you have joined us at OCBS 2021! We hope the classes spark your interest in learning more about God, his son Jesus Christ, and their love for you. We made this book and gathered these teachers and organized these Bible School classes just for you. We hope you learn and have fun this summer while you ponder, play, and praise.

What is a Wordle? Word + Cloud = Wordle! It is a picture made from words about a topic. The more important a word, the BIGGER it is. This is a fun way to summarize a story, or record your ideas. Write words in different sizes, styles and colors. Here is an example for the Refuge class - these words are all from the Psalms!

Try creating a Wordle for one of the classes you hear this week!
